P.T.F. MEMBERSHIP

Welcome to what is sure to be another productive year! We would like to welcome back all of our returning students, and a big welcome to those joining the Heritage Academy family.

Heritage Academy Parent Teacher Fellowship (P.T.F.) thrives with the support of our students' families. By joining P.T.F., you will be helping to support our year-long efforts for our school. Membership is only \$10.00 per family. Our annual Chick-fil-A calendar fundraiser has been discontinued by CFA, therefore our membership drive will be used as our fall fundraiser.

Membership, fundraisers, spirit nights, and reward programs insure we are able to provide activities such as: Classroom rewards for membership, Box Top\$ prizes, Field Day, Teacher Appreciation Week and more.

Simply complete and return the membership form. Each homeroom that has 100% participation will receive a membership treat.

Remember your \$10.00 membership will be applied to all children in your family.

Membership deadline is Monday, Sept 10th.

I look forward to a great year!

In His Service,
Becky Wilson
P.T.F. President
